

Greetings,

2025 marked our 31<sup>st</sup> mission trip and 63 high school, college students and adults gathered in prayer and traveled to Whitesville, West Virginia to spend a week building a community with the people in Whitesville. Whitesville is a small, quiet town, nestled in the Appalachian Mountains and somewhat of a contrast in many ways to Alpharetta and Roswell. Yet it is a wonderful community of people that opens up and welcomes us each year we visit.

During our week that summer we met and touched the lives of a number of people (6 families in total) including:

- Shannon and Adam who allowed us to replace their rotting front porch and roof as well as their back porch.
- Mindy who allowed us to replace a wheelchair ramp and railing that had been damaged and made unusable by flooding.
- Ann and Chip who allowed us to replace their tub, vanity and toilet in the bathroom, repair rotted floors and replace old carpet in the living room and hallway with new flooring.
- Cheyenne, who allowed us to replace her kitchen cabinets, sink and faucet as well as repair rotting floors and add new flooring in the kitchen.
- Karen and Robert who allowed us to seal the roof on their home and replace a large deck and stairs that had been damaged and made unusable by flooding.
- Ericka, who allowed us to rebuild the floors in her bedroom and her boy's bedroom – floors that had rot and holes in them.

It is because of your support and prayers that these trips are possible. The people whose lives we can touch are oftentimes unsure of us and what to expect. For many of our teens, this trip is a new experience and an introduction to a powerful reality – God exists in our world because we allow Him to exist. He exists through the lives of the people He created in His image. Our teens come to understand this and do their part to allow Him to exist through the things that they do during that week. The experience for our teens during that week is life changing.

When we returned from Whitesville last summer, we left knowing that there were other people whose lives we could touch if we returned. So, this summer, from June 20<sup>th</sup> – 28<sup>th</sup>, we will travel back to Whitesville and will again ask for your support and prayers. We will need to raise money so that we can travel to Whitesville, so that we can pay for food and accommodations during the week (we'll sleep in the classrooms at an elementary school and eat at the church) and so that we can purchase the materials we need to do what's needed to help the people we meet.

We would like to ask you as our family and friends to commit to praying for our trip and to consider sponsoring us. If you can join us either prayerfully or financially, we would be most grateful. Please be assured that your support and prayers are life changing – for our teens as well as the people of Whitesville. After we return from our trip, we would like to tell you about our trip and the people whose lives we touched through our teens and because of your prayers and support.

For more information and to follow our trip, please visit [www.dotministries.org](http://www.dotministries.org).

God bless you for your kindness and support.

**RESPONSE SHEET**

**Thank you for responding to our call to help  
the people of Whitesville, West Virginia.**

I have prayerfully considered supporting the  
DOT Ministries, Inc. Whitesville Mission Trip in the following way(s):

I will commit to spiritually support DOT Ministries, Inc. Whitesville Mission Trip by praying on a regular basis and especially June 20<sup>th</sup> – 28<sup>th</sup>, 2026
